

HEATHER MALLETTE

Heather is a seasoned professional contributing her expertise within the tax department. With a specialized focus on the real estate industry, Heather adeptly navigates a spectrum of real estate clients, handling everything from fundamental structures to intricate transactions. Her deep knowledge of the sector allows her to provide insightful guidance tailored to the unique needs of each client.

In addition to her role in the tax department, Heather actively participates in the firm's real estate committee, contributing to strategic discussions and staying at the forefront of industry trends. Her multifaceted experience enhances the firm's capabilities in addressing the complexities of the real estate landscape.

Prior to joining TBC, Heather accumulated extensive experience at a small firm, where she dedicated many years to assisting small businesses across diverse industries in the Duanesburg, NY community. Her comprehensive service offerings ranged across various financial aspects, showcasing her commitment to supporting local businesses and fostering community growth.
