

## JOHANNA C. PANNUCCI

Johanna worked for four years in the audit department in the NYC office of a large national public accounting firm. She currently manages audit and attest engagements of commercial entities in the construction, real estate and manufacturing industries, among other professional services. She is a member of the firms Construction Committee and Young Professionals Committee. She is actively working to develop and strengthen the TBC mentoring program offered to all accountants at the Firm and is available to students/alumni at the University at Albany.

**Role in Firm:** Manager

**Phone:** 518-456-6663

## Just for Fun

Johanna has traveled to 48 of the 50 states (still needs to visit the states Alaska and Washington). She has a “Swedish” brother, her parents had an exchange student prior to her birth. She has visited Sweden numerous times and Martin has visited her dozens of times during his trips to the US. She and her husband enjoy cooking and have had a share in the Lansing Farm Market & Greenhouses CSA for the past 5 years in an effort to eat and support local produce. She is interested in yoga, hiking, snowboarding, and golf.
