

KATHARINE K. DORAN

Katie's career in public accounting began at TBC when she accepted a college internship at the Firm over 40 years ago. After her college graduation, she began full time employment at TBC and built her career ever since, becoming the first female partner in 1992.

She currently manages audit and attest engagements of not-for-profit organizations, governmental units and commercial entities. Her experience also includes tax and management advisory services for a diverse client base including professional practices, retailers, manufacturers, wholesalers and individuals.
